

"Song of the Spirit" words; Randall Lawton, music; Joe Romeo

♩ = 136

The Spi-rit's come and grace a-pplied, the full-ness of God's

love su-pplied, The Spi-rit's here and Christ is known, the

full-ness of the Son we own. The

Spi-rit shines the cross with light. Christ's

blood now pumps dead hearts to life. He

took us up on cal-vary's day, there shook us up, sins hurled a-way, the

Spirit's come and grace a-pplied; the full-ness of God's

love su-pplied.
