

## Whatever Our Worries

Joe Romeo

1. Whatever our worries,  
whatever our pain,  
Whatever we suffer,  
no matter what shame,  
No matter how angry,  
or bitter within,  
Confess it to Jesus,  
Confess it to Him.

### Chorus.

Only He can bring comfort,  
Only He can bring peace.  
Only He can cause suffering  
and sorrow to cease.  
He calms the dark conscience  
and purges our past,  
To those he forgives,  
His forgiveness holds fast.

2. Come to the Lord Jesus,  
there's no other place.  
Come rest in His sorrows  
and feed on His grace.  
Our Father has given  
His wonderful Son!,  
The Spirit has called us,  
so let us all come!

*Chorus.*

Only He can bring comfort,  
Only He can bring peace.  
Only He can cause suffering  
and sorrow to cease.  
He calms the dark conscience  
and purges our past,  
To those he forgives,  
His forgiveness holds fast.
